

Quilting with Sue

Fabulously Fractured Class
May 20th, June 10th, and
July 22nd, 2017

at Studio 2724

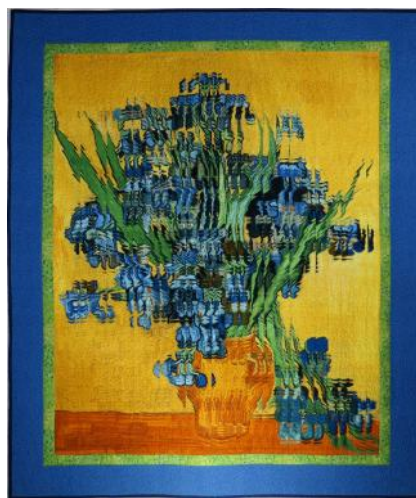

**3 Saturday Morning Sessions (9am-Noon)
May 20th, June 10th, and July 22nd, 2017**

Class limited to 4 participants and requires a sewing machine in good working order and a **strong** knowledge of how to use it. (Sorry, this is not for beginner sewers.)

Participants will learn the cutting, piecing, and sewing techniques unique to this fracturing technique. *Homework will be required to complete each step.* At the end of our second class I will demonstrate thread painting as a quilting technique. I recommend these completed one of a kind quilt tops be free motion or long arm quilted.

*Free Follow-up class offered on Aug 19th, 9am-noon.

Cost for this class is **\$90**. Advance payment reserves space in this class. Once space is reserved, a supply list will be provided so fabrics and supplies can be acquired in advance of the first session.
